Helpful hints

Only the Project Administrator and Project Team Managers have the ability to add new team members, remove old team members, and change team members' roles. Otherwise, all authorization levels have the same level of access to the project and credit documentation.

There may only be one Project Administrator on the project team. The current Project Administrator may transfer the Project Administrator role to a different person by clicking the edit button next to that

LEED Certification Review Report

This report contains the results of the technical review of an application for LEED® certification submitted for the specified project. LEED certification is an official recognition that a project complies with the requirements prescribed within the LEED rating systems as created and maintained by the U.S. Green Building Council® (USGBC®). The LEED certification program is administered by the Green Business Certification Inc. (GBCI®).
